ESSENTIAL EDUCATION ITEMS 2021

Dear Parents,

Please find attached your Essential Items 2021.

The School Council trusts that all parents will support the school's endeavours to provide quality education and support programs for all students. We appreciate your support and encourage payment of the Essential Items Fees for 2021.

Parents are not required to purchase stationery items. Instead, all parents are required to pay the Essential Items Fees that will cover classroom materials for the entire year. We consider this fee very important to support the items provided for your child/ren during the year.

The only additional charge for 2021 will be for any school camps that your child is involved in throughout the year, as this will vary from Learning Centre to Learning Centre and will be adjusted to reflect the CSEF funding if eligible. Please contact Linda at the office if you require further clarification.

Parents will be required to make a \$150 payment for each child attending Jennings Street School to cover the Essential Items listed below for 2021.

- Materials used in classrooms, such as stationery and art materials. This also includes tissues, wipes and sunscreen lotion
- Materials for learning and teaching where the students consume or take possession of the finished article
- Transport and entrance to all excursions including swimming programs and school based performances, visiting artists and events. (This will also be supported by the school operation funds and revenue that is received through the Camps, Sports & Excursions fund)

Payment options are as follows:

BPay (**B**Pay is our **preferred** method)

Cash or Cheque

(For BPay - your Biller code and Reference number appears on the attached Essential Items 2020)

EFTPOS facilities are not available at Jennings Street School.

Yours faithfully

Stephen Moore
